BEAUTY

Changmakeup

The lipstick expert who built her own beauty brand

Changmakeup made her name with detailed lipstick swatches and reviews, then launched her own cosmetics label, OFÉLIA, in 2016. She was the first Vietnamese female beauty blogger to earn YouTube's Gold Play Button, and her library of 238 videos has drawn 194M views. Ideal for lip and color cosmetics, beauty retail and founder-led brand storytelling.

BEAUTY

Lie Makeup

Viral makeup challenges built for the Shorts era

Lie Makeup turns makeup into entertainment with blind-bag challenges, random-color looks, lipstick-only faces and dramatic character transformations, many of which first went viral on TikTok. The format travels fast: 886K subscribers and 707M lifetime views, the highest view total in this lineup. Built for color cosmetics, Shorts-first product launches, creative collaborations and youth lifestyle brands.
