BEAUTY

Changmakeup

The lipstick expert who built her own beauty brand

Changmakeup made her name with detailed lipstick swatches and reviews, then launched her own cosmetics label, OFÉLIA, in 2016. She was the first Vietnamese female beauty blogger to earn YouTube's Gold Play Button, and her library of 238 videos has drawn 194M views. Ideal for lip and color cosmetics, beauty retail and founder-led brand storytelling.

BEAUTY

Lie Makeup

Viral makeup challenges built for the Shorts era

Lie Makeup turns makeup into a show: blind-bag challenges, random-color looks, lipstick-only faces and bold character transformations, each cut as a quick Shorts reveal. That format scales well, with 897K subscribers and 720M lifetime views from 721 uploads since 2017. A strong fit for color cosmetics, beauty retail, Shorts-first launches, creative tie-ins and youth lifestyle brands.
